FROM: Janet Kelly, President Elect, Rotary Club of Windsor (1918)
Project Jirapa: Moving Forward Committee

RE: Thank you!!!

Dear Friends of Rotary,

I want to take this opportunity to thank you on behalf of the Rotary Club of Windsor (1918) and the Project Jirapa: Moving Forward Committee for your generous donations to our project.

I know that you have been busy finding medical supplies that will be invaluable to the medical staffs in the upper West Region, who have so little to work with in order to treat the people that desperately need medical attention. It is difficult for us to understand just how important these donations are because we have so much and they have so little—just imagine one doctor for 85,000 people and a limited number of nurses and midwives.

I know that you have also been able to solicit other items such as golf shirts, etc and these will all be put to good use.

It was a very nice surprise when I attended the RNAO meeting and was given a mini “baby shower” of wonderful things for the babies at our Clinic in Degri. Dr. Bachehie took them with him when he went to Ghana last week and I am sure he will have a report for you when he returns next month.

I regret not being able to thank all of you in person but please accept a heartfelt “thank you” on behalf of our project committee and all of the recipients of your kindness in Ghana.

Yours in Rotary,

Janet

Janet Kelly, Dr. Godfrey Bachehie and Gary Katz
